## Professional Summary

Hello, I'm Gilbert Azevedo, and I am a dedicated and multifaceted individual with a robust background in retail, complemented by a comprehensive academic journey in Digital Media BI at the University of Colorado, Colorado Springs. I am experienced in cash auditing, customer service, and schedule management, showcasing exceptional organizational and interpersonal skills. I am proficient in photography, video editing, and graphic design, with hands-on expertise in the Adobe Suite. I have demonstrated knowledge in logic circuits and grant proposals, underpinned by strong teamwork and leadership abilities. Currently advancing technical proficiency through coursework in HTML and CSS, with plans to acquire JavaScript skills, driving a commitment to continuous learning and application of digital media technologies and Frontend development. Passionate about leveraging a blend of creative and analytical skills to enhance communication and media strategies.
